In the homes where PYLE'S PEARLINE is used the wash tub is no longer the fountain of drudgery, back-aches, pains, sickness, bad temper and upset households. The rubbing and straining process of freeing the dirt clothes the woman and the clothes and at the end of the wash day life seems hardly worth living. Not so where PEARLINE does the work—that's just it, PEARLINE does the work for you—does it better and quicker, and without rubbing, hence without the wear and tear to yours if of your clothes. Warranted Thriftless. Millions use it. Sold everywhere. In ways of migrations.

West Quoddy Bay, Wednesday forenoon

The wind was east, and before night had

increased to more than a common gale

nearly most morning, the storm

saw the schooner's colors in the rig-

ging. Capt. Myers, with his crew heard

the shot and found she had parted her chain,

otherwise all right. The life saving crew

swept and took up the lost anchor. Capt

looked upon after sailed for a state

very thankful for the assistance rendered.

This is a fair prospect that the

mings above factory at Springvale which

has been for two years will again be

started up. The new one are organizing a

stock company to purchase the ship and

will give the rest of it to a firm to be

here for three years.

each dangerous ground, and in the mean time painfully illustrates its demoralized frame of mind in the following paragraph.

The trust, of which Blaine was so tender, has now says the Democratic Standard for Governor in Michigan, the sugar trust, the whiskey trust, the tobacco trust, the oil trust, all of which are controlled by Democrats and some of which like the Whiskey trust and the Standard Oil trust would immense political influence in the interest of the Democratic party.

It is a pity that Cleveland's white trade in sugar is not more than a fourth of the custom revenue for the year. Not only was the sugar trust a deadly blow at North in the sugar trade, but it was a deadly blow at the sugar trust in the sugar trade.
